CSA APPLICATION AGREEMENT: I would like to participate in the Neversink Farm CSA for the 2011 growing season. I have viewed the Neversink Farm web site or brochure describing the produce Neversink Farm expects to grow, and the expected times of harvest.

I understand;

that the weather and other factors beyond the control of Neversink Farm may result in more or less of these crops,

that shares are limited and available on a first come, first serve basis,

that I can only pickup on the designated pickup day and time,

that shares are not transferable,

and that there are no substitutions.
